The webinar will be moderated by
Prof. Doron Aurbach
of the Bar-Ilan Department of Chemistry

Science, science, SCIENCE!

Every month a renowned top scientist will introduce a topic of general interest, present the most relevant research results, and offer an outlook on future research directions and applications

The 45 minutes talk will be followed by a Q&A session where all the participants can ask questions to the speaker (15 - 30 min.)

IVS webinars at your fingertips

To aid your interest further, the video records of all previous webinars are now available on the IVS Webinar Series webpage.
